Web 2.0 Tools

Leadership for Web 2.0 in Education – CoSN Study
Principal Pheud
A Look At Best Practices
Web-based Resources

Guiding Questions:

- How do you use the tool in the teaching and learning process? Why?
- Did the use of this tool change your instructional practice? If yes, how?
- How did you become proficient in your use of technology?
- What advice would you offer to building leaders regarding the effective use of technology?
